Laura you are a
LIFE SAVER

There were all kinds of life savers connected with school. For example, the teacher who was absent and the sub who couldn't find the quiz for the class. And there was the fire drill that provided a moment's reprieve from the classroom area, or how about the blessed snow day that allowed a little more time in bed on a cold winter morning.

Thinking back provides quite an opportunity to reflect on the number of life savers that did occur. Remember that last second touchdown or basket that won the game? Remember that homework paper you found at the last second — the one you were going to have to do over again?

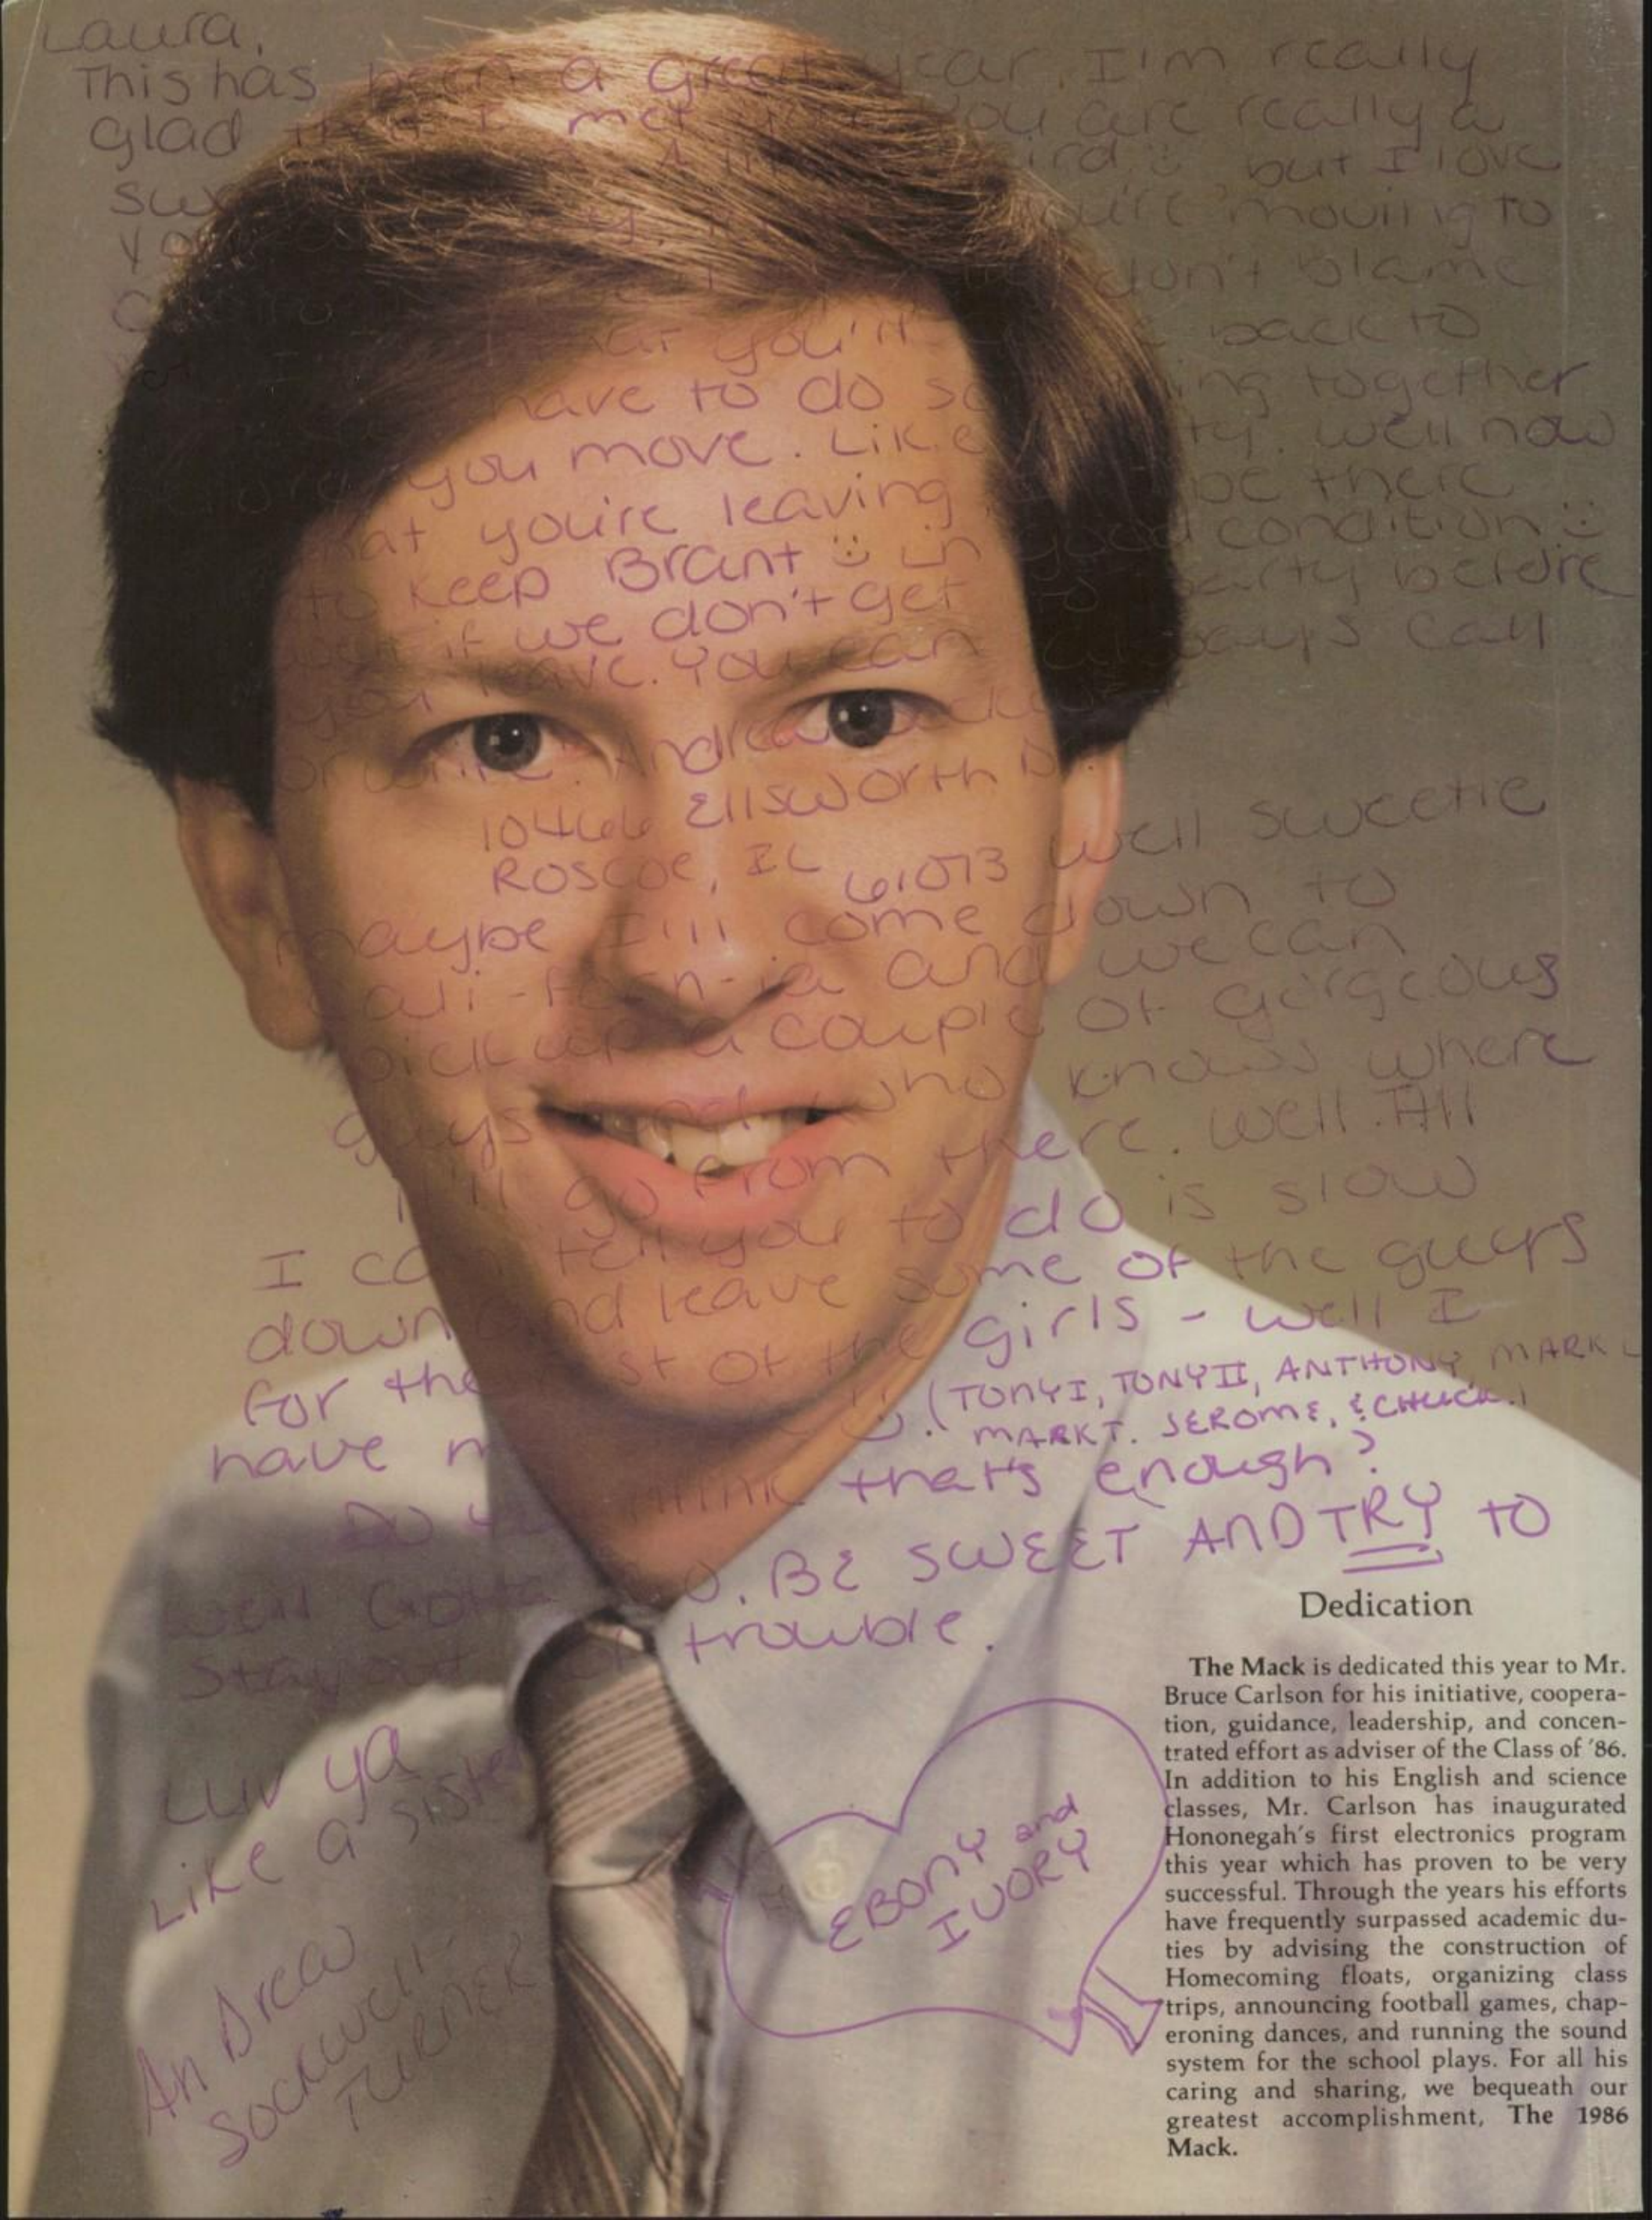

"The Mack 1986" is a life saver too. We hope we've saved a part of your life so the memories of Hononegah High School will easily be available to you. We hope you will always want your life saver.

Laura,
This has been a great year, I'm really
glad that I met you. You are really a
sweet girl. A little weird, but I love
you. If you're moving to
California, don't blame
me. If you'll come back to
California, have to do something together
before you move. Like a party. Well now
that you're leaving, I'll be there
to keep Brant in good condition.
If we don't get a party before
you leave. You can always call
me or write. Andrew
10446 Ellsworth Dr.
Roscoe, IL 61073 Well sweetie
maybe I'll come down to
cali-fornia and we can
pick up a couple of gorgeous
guys. Who knows where
I'll go from there. Well. All
I can tell you to do is slow
down and leave some of the guys
for the rest of the girls - well I
have more than enough.
(TONY I, TONY II, ANTHONY, MARK I,
MARK II, JEROME, & CHUCK.)
Do you think that's enough?
Well gotta go. Be SWEET AND TRY TO
stay out of trouble.

Dedication

The Mack is dedicated this year to Mr. Bruce Carlson for his initiative, cooperation, guidance, leadership, and concentrated effort as adviser of the Class of '86. In addition to his English and science classes, Mr. Carlson has inaugurated Hononegah's first electronics program this year which has proven to be very successful. Through the years his efforts have frequently surpassed academic duties by advising the construction of Homecoming floats, organizing class trips, announcing football games, chaperoning dances, and running the sound system for the school plays. For all his caring and sharing, we bequeath our greatest accomplishment, The 1986 Mack.

Some of the many happy Hononegah faces

Indians were #2 in state,

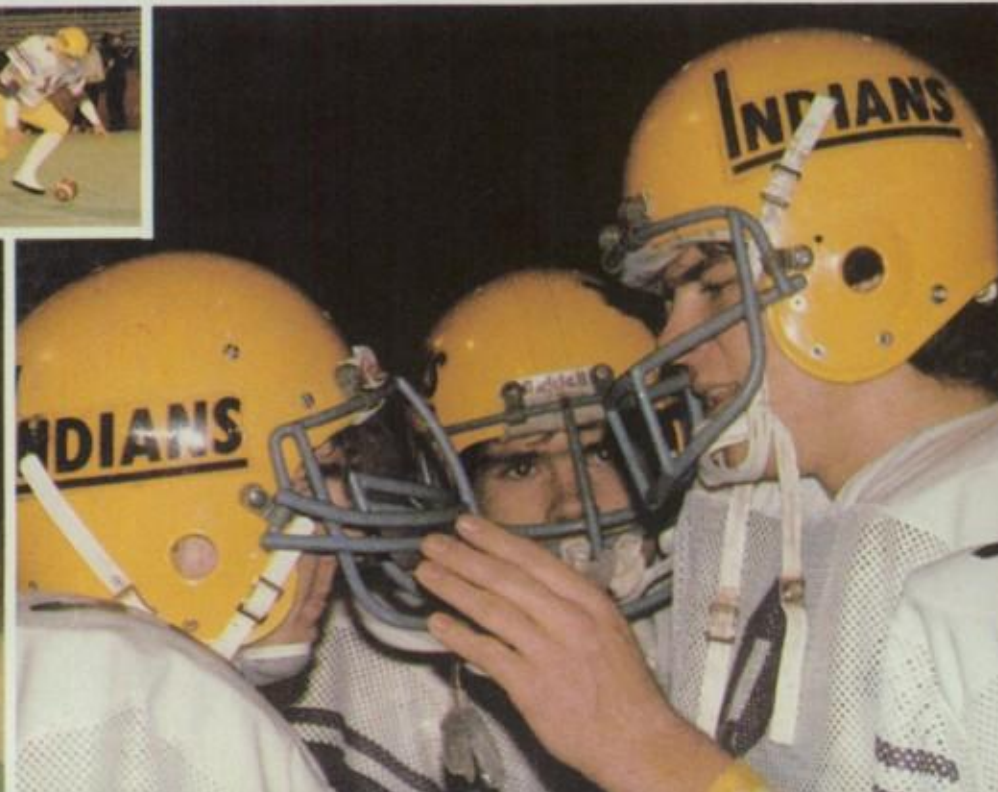

Hey, Indians Decent, Decent

A great Washington team, an icy astro turf surface and the fact that the Indians were awe struck by their first appearance in the IHSA State Finals all combined to keep the Indians from winning the state championship as they lost 28-12 at Illinois State University before a crowd of about 15,000 fans.

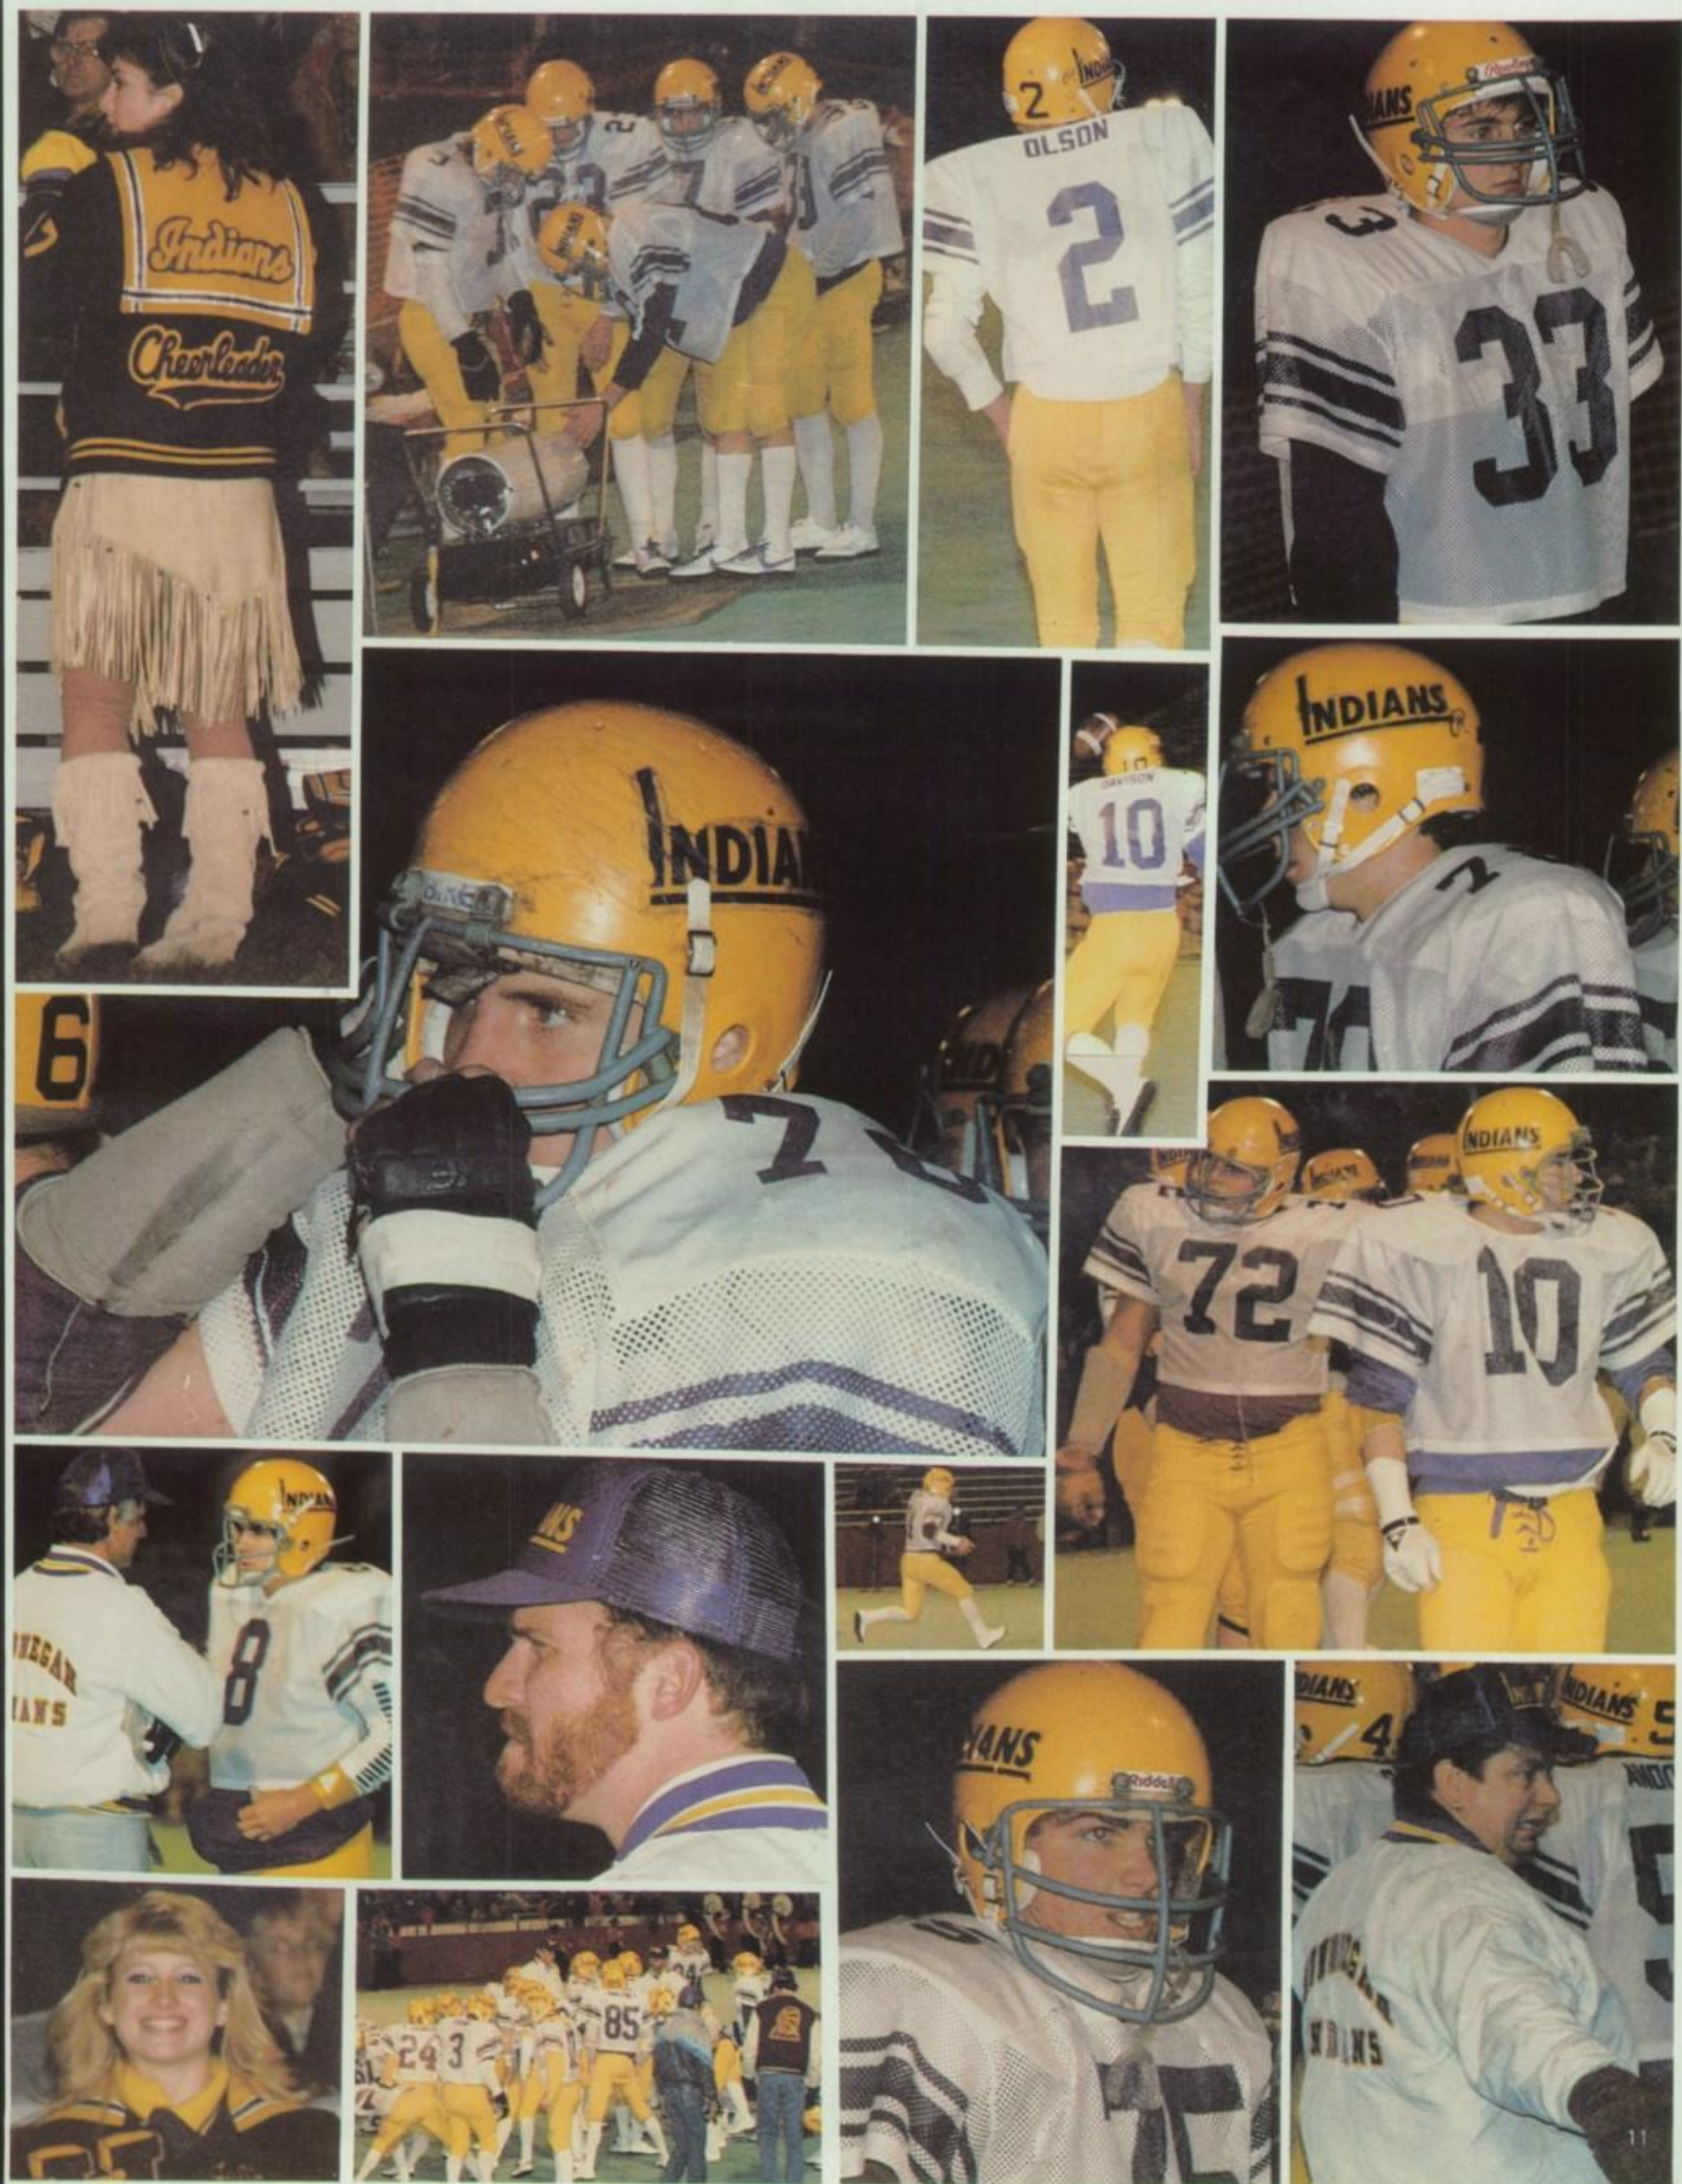

The Panthers jumped to a 21-0 lead capitalizing on two interceptions of Mike Schultz passes and some defensive breakdowns.

Darryl Graverson scored on a 55 yard pass from Schultz seconds before the first half ended for one of his two scores. Darryl scored on a 30 yard draw play in the third quarter, but Washington, who had lost in the 1983 State Finals, was not to be denied and put the Indians away for good in the fourth quarter with its fourth TD.

That same weekend all-around player Mike Larson was named first team All-State by *The Chicago Tribune* and Coach Donn VanSchelven was named *Beloit Daily News* coach of the year.

This is Brant's original hair cut fresh at 10:11pm on May 22, 1986!

This guy, in about 5 years, is gonna be a world class water skier with Laura Rathfelder or Laura Augensen, should I say! This is the picture they should have used for best dressed! Small may neck and it should remind you of me!

Brant Augensen perfected his drawing.

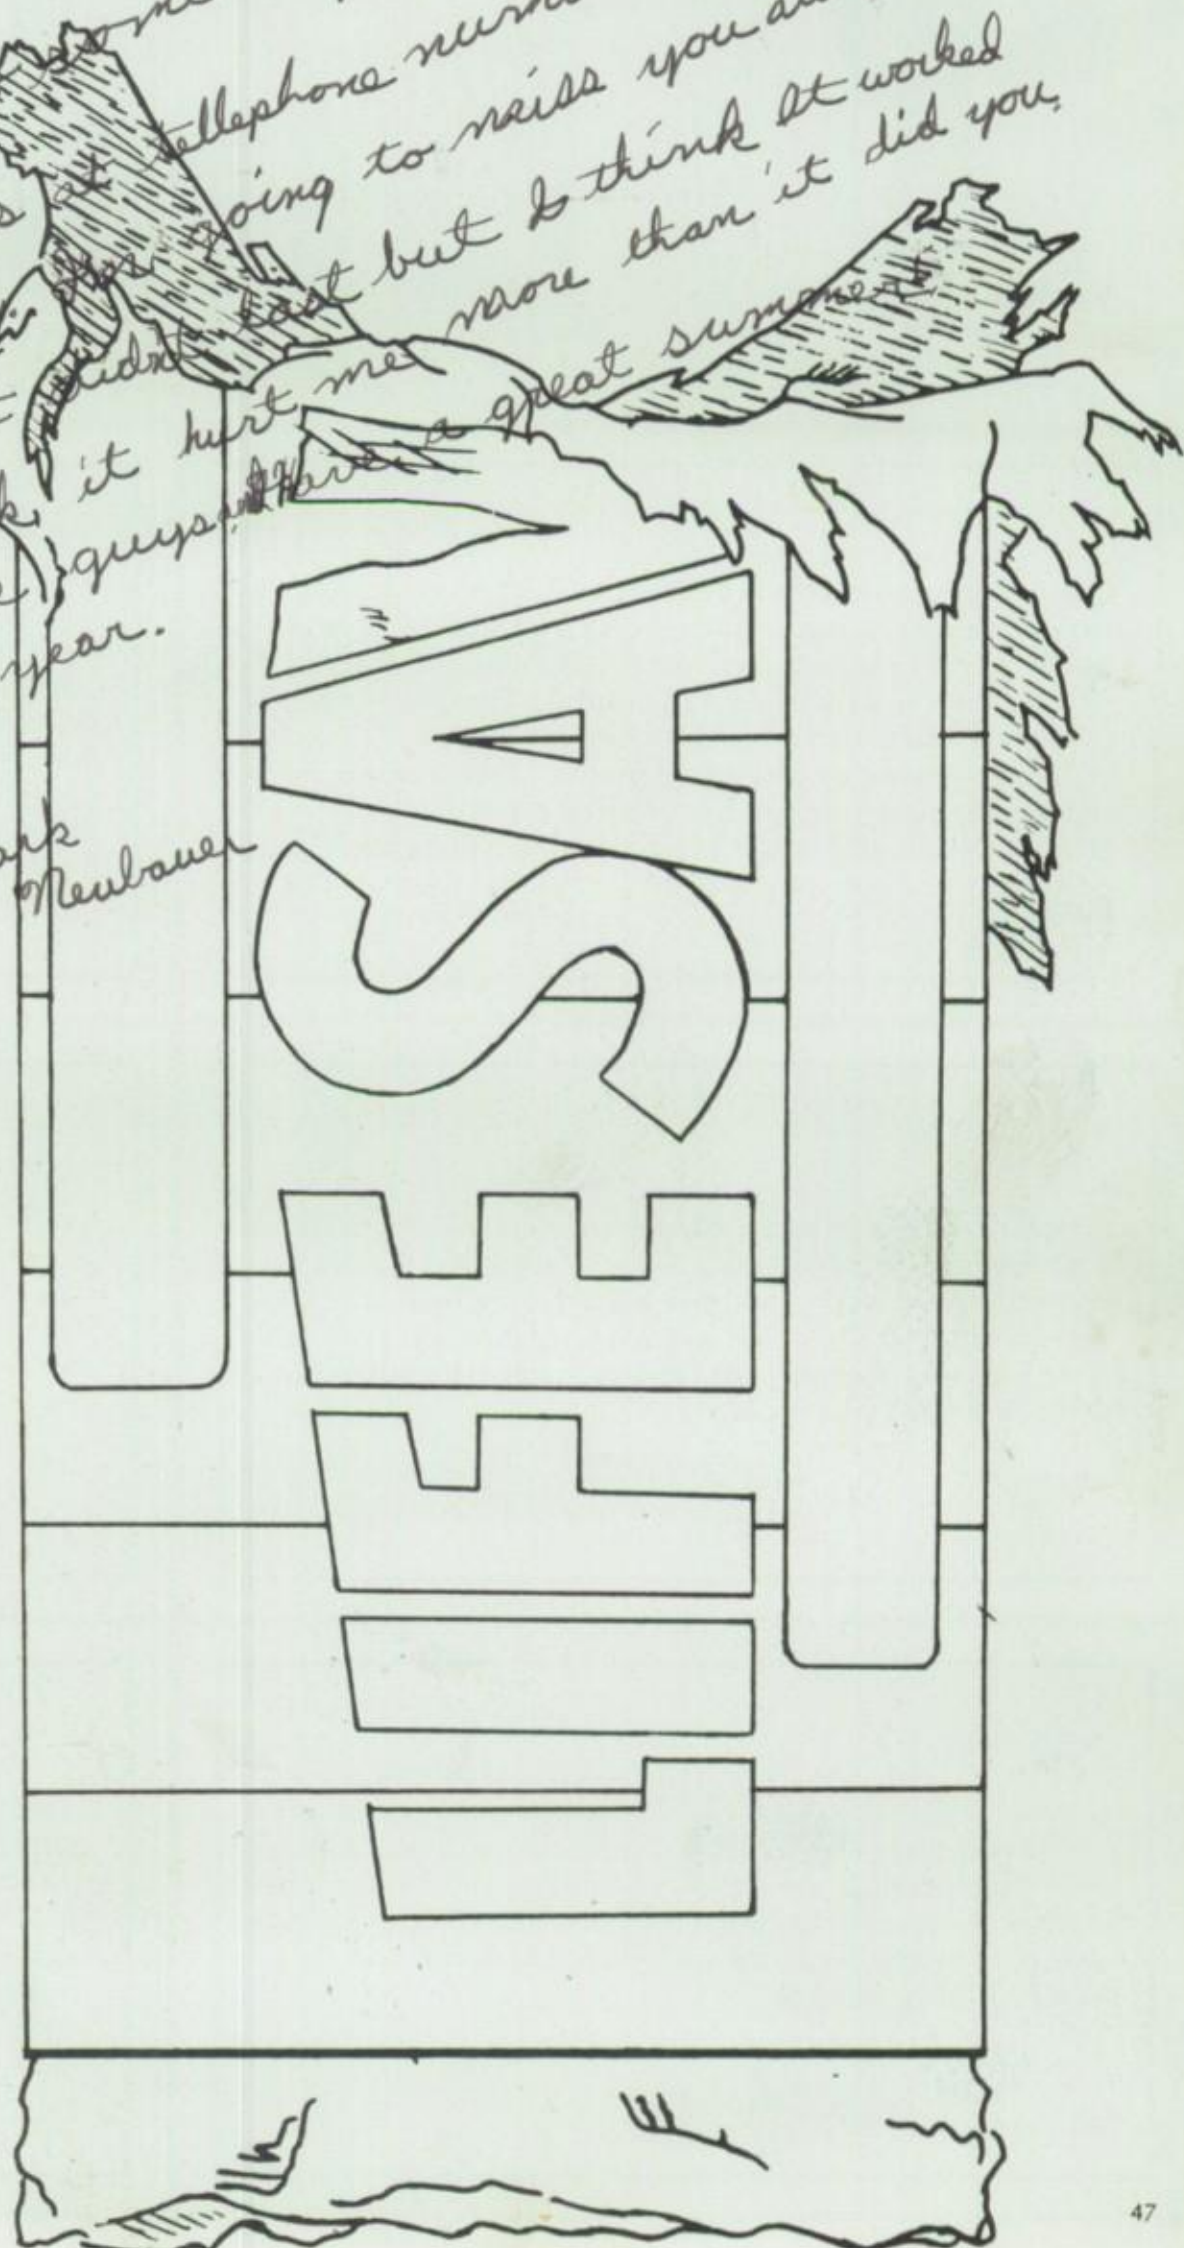

Laura,  
 Well, I'm glad I met you  
 & didn't do. This year was so  
 much fun that it went too fast.  
 I wish you would stay another  
 year but I know you like Calif. better.  
 But if you ever come and visit look  
 me up and will go to something. You have  
 to leave me your address at telephone number just  
 in case I ever drop in. I didn't but I think it worked  
 I'm sorry our 'engagement' it hurt me more than it did you.  
 But for the better. I think those guys had a great summer.  
 Don't waste out all those next year.  
 Good luck in school next year.

Love,

SPORTS

# Indians top fall score boards

The **football** team had its finest season ever. After posting a 7-3 conference record in the NIC-10, the team began playoff competition. Following four straight decisive victories over Woodstock, Sycamore, Montini and Elmwood Park, the team advanced to the state championship game where they were defeated by Washington 12-28.

Team co-captains Mike Larson and Mike Strasser held the second place trophy high over their heads as the entire school district welcomed the team home with a parade and presentations that were real life savers for team morale.

**Volleyball** also had a great season posting a 17-1 NIC-10 Conference record finishing in a first place tie with Rockford East. The team advanced to the regional finals but powerhouse Rockford East again took charge defeating the Indians. The teams had three first team all-conference members, Tabby Nelson, Beth Christiansen, and Cara Currier. Two players were represented on the second team, Billie Balsley and Lori Sadewater. Marcie Presely received honorable mention.

**Soccer** team members gained more respect in the NIC-10 conference by accumulating a 10-5-1 record. Also, for the second year in a row the team posted a regional win. The season came to a close on a 4-2 loss to Boylan. The team also had two second team all-conference members and three honorable mentions.

**Girls' tennis** finished an impressive fourth in the NIC-10 Conference with a 7-4 overall conference record. This included two shutouts against Harlem and Rochelle. This was the most impressive season for the girls' tennis team in the school's history.

The **golf team** wound up with a 6-5 record in the conference which earned the team a sixth place spot in the conference. The team also tied for fourth place in the regionals. They also placed two players, Chad Black and Brian Blair, in the sectionals.

Mike Wenzel and Todd Fuchs dominated the **boys' cross country** team. Both the boys' and girls' teams finished sixth in the NIC-10 Conference. In the Oregon Invitational HCHS finished fourth. In the Oregon 7-Man race HCHS boys were first and the girls were second. The boys were fifth in the Winnebago Invitational while the girls were seventh.

Finishing in seventh place in the NIC-10 Conference, the Hononegah varsity baseball team boasted a conference record of seven wins and eleven losses. Led by Coach Larry Weber, the team's overall season record was fourteen wins and seven losses.

The team took second place in the Beloit Classic tournament. In the semi-finals the Indians defeated Middleton but in the finals they suffered a loss to Beloit.

Pitcher and outfielder Mike Schultz was named the team's most valuable player. Wes Thompson was chosen most improved. Co-captains were Rudy Colwell and Mark Parent.

Schultz tied the record for the most stolen bases with co-captain Rudy Colwell. Todd Tamalunas had the team's best batting average.

Named to the NIC-10 All-Conference first team was Schultz, as an outfielder. Tamalunas was named shortstop to the second team. Brad Davison, catcher, was chosen honorable mention and third baseman, Mark Parent shared the honorable mention spot.

Named to the senior All-Star team were Mark Parent, Matt Warneke and John Hallman.

Coach Weber commented that, "The end of the season was disappointing in comparison to the whole season. We were unable to get the clutch-hit when we needed it, in the last six games which dropped us from battling for first place to seventh place in the conference."

The sophomore-junior varsity team placed fourth in the conference. The JV Indians had an overall record of fifteen wins and eight losses. The team won Beloit Classic tournament by defeating Middleton and Beloit Memorial.

# Mike Wenzel Set 2 mile record

The 1984-85 track and field season held many exciting moments for the boys' and girls' track teams. The boys' season under head coach Ray McLarty, Tom Polaski and Craig Callaghan, was ended with school records broken in several events including the 400 meter dash, the 400 relay, the 800 relay, and the two mile run. A close finish by Mike Larson getting third in boys' 110 high hurdles, at the conference meet, was one of the season's highlights. Mike Wenzel won the MVP award by finishing well in many races and getting a 9:58.2 in the two mile bettering the old record by

more than 25 seconds. Mr. Polaski commented that this was a young team and has many skilled athletes returning for the '85-86 season.

The girls' team members practiced hard, performed well, and pleased coaches Debbie Patterson and Judy vanSchelven with a good season. Both coaches agreed that the standouts of the team were Joanna Sharp making all conference and Laurie Larson getting all conference honorable mention. The girls team will also bring back much talent to the '85-86 season.

Varsity Cross Country runners were once again a NIC-10 Conference powerhouse even though they finished sixth in conference competition. Hampered by injuries, the Indian runner lacked the decisive victories in the second half of the season that they had in the first half.

The HCHS harriers grandly opened the season by outdistancing the West Warriors in a well-run race. The next time Hononegah runners stretched their legs was at the Oregon Seven May Invitational where they were defending champions. Again HCHS proved victorious with first place finishes from Todd Fuchs, Mike Wenzel and Frank Lorr. Steve Simpson finished second, Jim Mackey and Shawn Clankie finished third and Joel Miller took seventh.

Girls' track took fourth at the meet with top finishers being Joanna and Jeanne Sharp.

The team closed out a tough season with a four and five dual meet record and two invitational championships. The two IHSA sectional qualifiers, Mike Wenzel and Joanna Sharp, were voted most valuable runners for the season.

Coaches were Mr. Ray McLarty and Mr. Kevin Burns.

The Varsity volleyball team continued to dominate the NIC-10 Conference this past year concluding the season with a 17-1 conference record. The Indians tied with East Rockford for first place in the conference.

Not including the tournament results, the Indians posted a 19-2 overall season record.

The Harlem Tournament gave the girls some trouble as they posted four losses to Rolling Meadows, Woodstock, Byron, and Mt. Morris but they defeated Joliet West 15-2 and 15-9.

Tabby Nelson, Beth Christiansen and Cara Currier were All-Conference selections on the first team. Billie Balsley and Lori Sadewater were All-Conference selections on the second team. Marcie Presley received All-Conference honorable mention for the season.

In regional play the girls defeated Belvidere but lost in round two to powerhouse East Rockford.

# Boys beat Boylan in thriller

As of press time the varsity basketball team had a conference season record of 18 wins and 3 losses. The highlight of the season was defeating Boylan on the Indian's home court. A capacity crowd filled the gymnasium to see the Indians drop the Titans 67 to 63.

Pre-season polls predicted the Indians would be in first or second place in the conference and they were correct. The Indians were tied for second place as of early February.

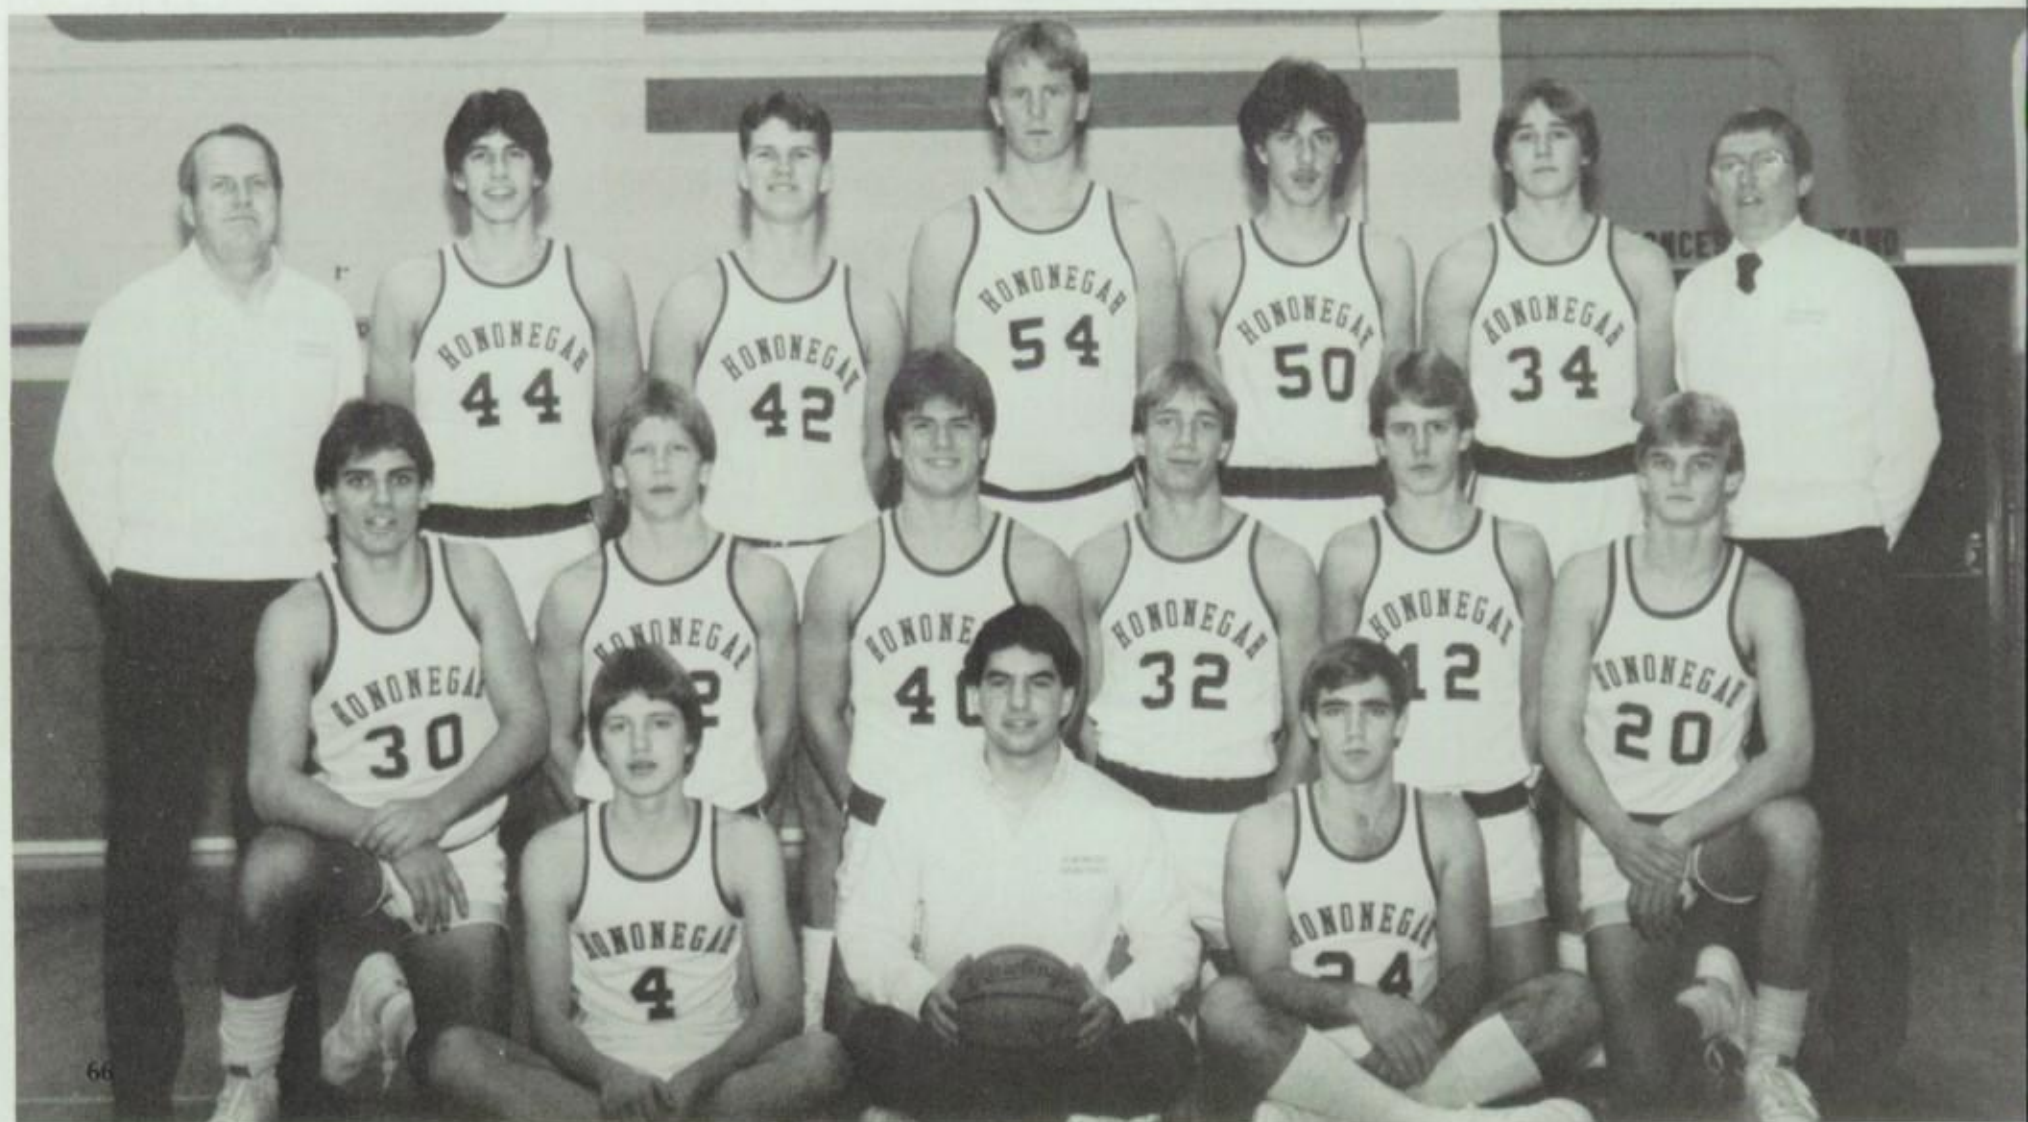

Jim Shikenjanski, the 6'9" center, had an average of nearly 30 points per game. He signed a letter of intent to attend the University of Minnesota on a basketball scholarship. During the third Illinois state basketball classic Jim broke five records and attained a 44 point per game average. As of press time Jim also surpassed the leading scorer record for the school reaching the 1,650 point mark. He was nominated to play in the national McDonald's® basketball team making him the most acclaimed athlete in the school's history, according to Coach Severn.

Severn added the whole team deserved recognition for working hard and playing together with some intelligence. Playing as a conference favorite resulted in each competitor playing his best basketball in an attempt to defeat the Indians. The atmosphere of trying to upset Hononegah made for a most enjoyable year of basketball, Severn said.

# Sophomores took third place

The Hononegah sophomore football team provided the Indian fans with many exciting games on their way to a third place finish in the NIC-10 with a 6-2-1 record. This outstanding record was still disappointing to the players as they felt it very easily could have been better. Hononegah out-scored their opponents 177 to 85. The sophomores more than doubled their opponent's total yardage gained. The young Indians shut out four opponents and statistically beat them all.

On May 18, 1985, the Student Center at Rock Valley College never looked better. The 1985 prom, held at Rock Valley College, was the "most expensive and most beautiful prom ever held by Hononegah High School," said Mike Strasser, president of the junior class. Fish nets, fruit, and bright table clothes set the mood for the prom's theme "Treasure Island." Even the band, "Phrophecy," dressed in Hawaiian manner. The most outstanding features at the dance were a bridge, built by members of the junior class, that was centered in the middle of the dance floor, and live gold fish swam in the water underneath. Another interesting feature at the dance were the signs made showing where Rock Valley College was located and more information about prom. The signs were burned at the edges and had a crinkly texture to them which made each sign look like an old treasure map.

The most exciting segment of the dance was the announcement of the king and queen. Wes Thompson and Sherry Lindstrom were crowned as king and queen respectively. The royal couple danced to the theme song, "Let me be your Pirate," while the court joined in.

# Spring musical was huge success

"Once Upon a Mattress," the spring musical was a revision of the classic tale "The Princess and the Pea." More students participated in the performance than in any other drama presentation in recent history.

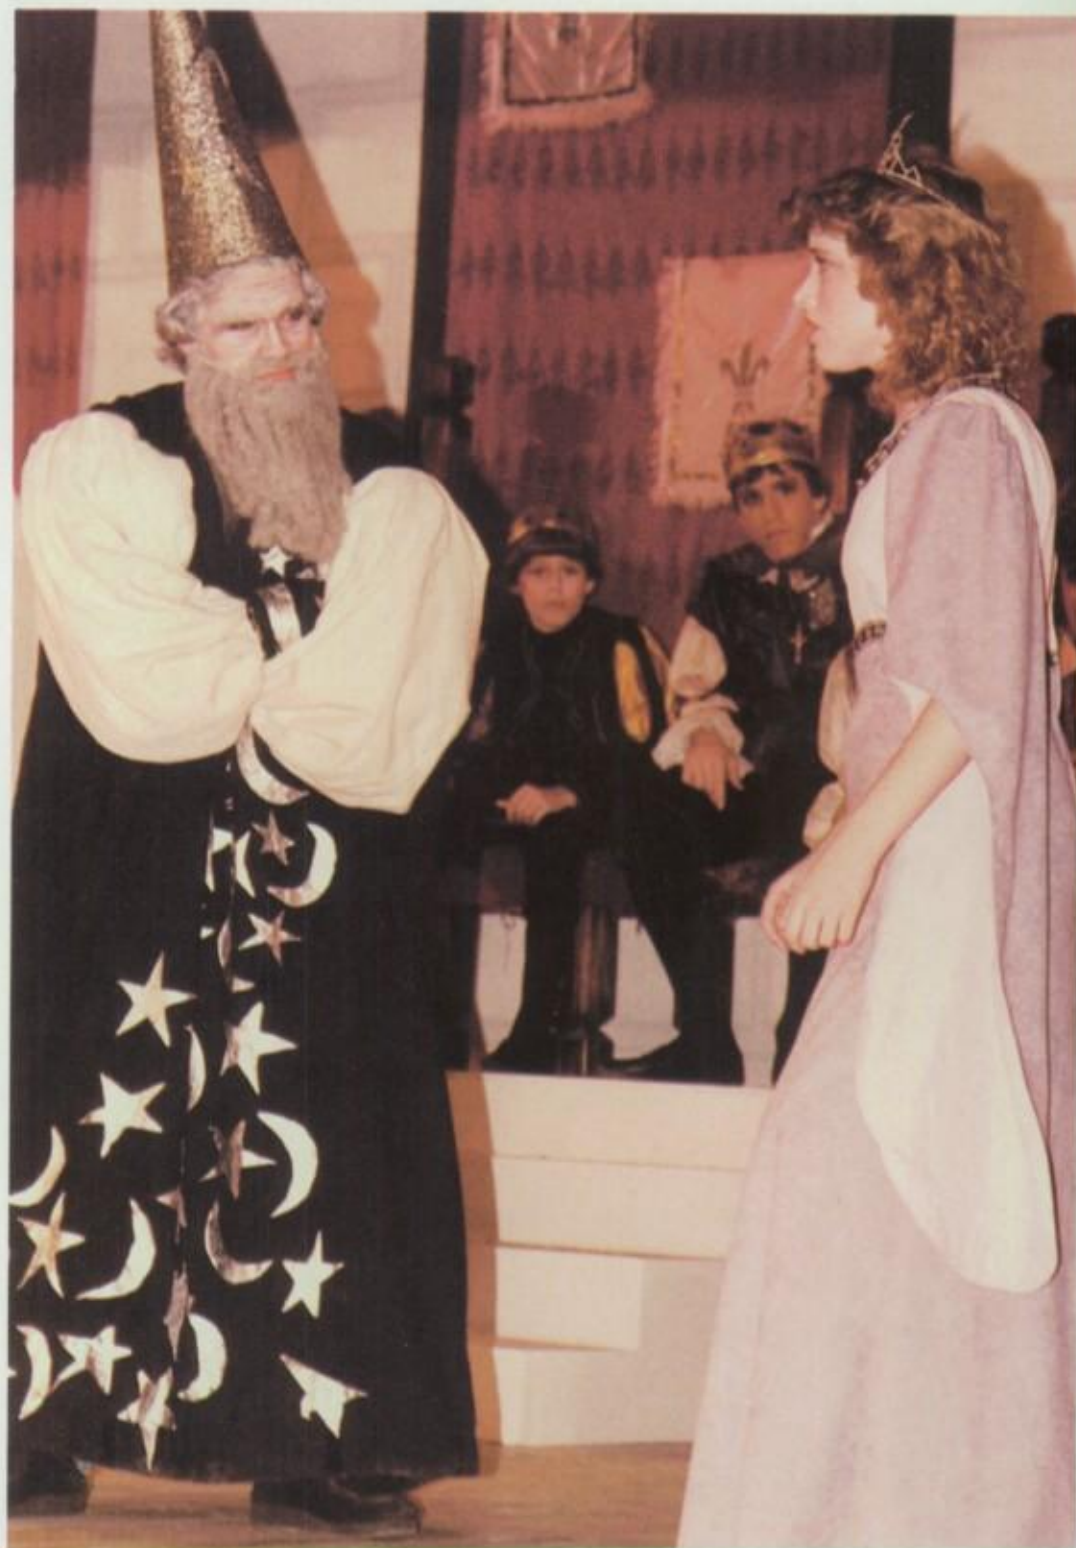

Among those were eight principle cast members: Lisa Atwood as Princess Winifred, the central character in the play; Courtney Cavedo as Larken; Erick Crays as Sir Harry, Larkin's would-be, should-be husband; Mark Insko as the comic jester; Steve Skupien as a wizard, Sir Cardamon the Great; Bill Street as Prince Dauntless; and Suzanne Twitty as the queen.

In the musical the queen decided to bar all citizens in the kingdom from marriage until Prince Dauntless had married a princess "good enough" to pass the queen's tests. The tests were pretty difficult, but finally a moat-swimming Winifred managed to pass, with the help of certain residents of the kingdom who were rather anxious to marry. The queen wound up under a spell which had been predicted to occur when the mouse swallowed the hawk. This freed the mute king who then proceeded to roar out his years of pent-up frustrations.

# Rain spoiled floats, but not fun

Who would have ever believed the warm sunny weather that opened float building week would turn to cold rainy weather in which the floats almost literally had to float down the parade route? But the fun, the pizza, the pomps, the glue, the chicken wire and the music all made the effort worth while. The float parade during the football game was cancelled because of the rain and a new surface that had been applied to the track which couldn't be driven on.

But still the end product, as seen here, was worth the effort. (Note: the junior float can be found on page 3.)

Warm, sunny weather opened Homecoming week but rain and gloomy clouds soon took over to end the week. All the effort put into building the floats and preparing the parade was still worth it, despite a windy shower that fell on the parade just as it passed the grade school. Little children who were to be spectators soon found themselves to be victims of the fickle fall weather as they scurried for cover.

The football, or perhaps mudball, game was played and the Indians beat the Vikings of Guilford but the halftime show had to be cancelled.

Rain forced the evening activities indoors to the gym but the bonfire went off without a snag despite the rain. The traditional pep rally in front of the school was cancelled.

The dance was a great success even though people were reluctant at first.

AFS was an organization formed soon after World War I by Hononegah's own "Doc" Loomis, and others, to promote international friendships and appreciations of other countries' cultures and customs, said Miss Anderson, AFS adviser for the first year at HCHS, replacing Mrs. Page.

HCHS's chapter was very busy and mixed pleasure with learning. AFS planned events to bring together community residents and students in a fun atmosphere.

The main objective of AFS was to bring foreign students to HCHS to study for a year and to send HCHS students abroad to study.

Highlights of the year, besides winning the Homecoming window painting contest, included the arrival of Katharina Linss from West Germany and Taro Yoshioka from Japan.

Sara Camacho came from Mexico and Thomas Westermann came from West Germany under the Youth For Understanding (YFU) program.

## Wild life of the Mack staff

Producing the 1986 Lifesaver edition of **The Mack** was both fun and tedious. There were no easy rewards as deadlines approached and pages were still no where near being complete. The reward comes now as readers review the staff's efforts and make the final judgments about the product.

The staff was led by editors Tracy Jasinski and Kent Hutchings. Carson Chambers was staff photographer. Andy McKean and Mike Strasser were production editors. Dan and Steve Skupien served as staff artists with Steve drawing the cover and division page designs. Rob Barker did the endsheet photography.

Adviser was Mr. Marion Wonzer who demonstrated remarkable patience in working with a young, inexperienced staff.

For the first time ever over 1,000 copies of the book were sold.

In the fall of 1984, two Hononegah students got together in a basement. "THE CHIEF" shared with "PHI" the idea of having an underground newspaper. Thanks to PHI's hard work, and the participation of HCHS students, the idea became a reality.

The Hononegah underground came out once a week on an 8½ x 11 Xeroxed sheet of paper. Its writing was witty and humorous, and it became an over-night success.

The paper was called "The Rag," because of its shabby unprofessional format. It later assumed the name "The Smoke Signal," but its former name always tagged along.

In 1985, THE CHIEF continued PHI's efforts, and even made a few changes. He doubled the size and introduced some regular features. "The Rag" displayed caricatures of the teachers, and made fun of celebrities in "MARVIN'S GALLERY." It held trivia contests and covered the "T.P. Wargames." held The Rag was a success.

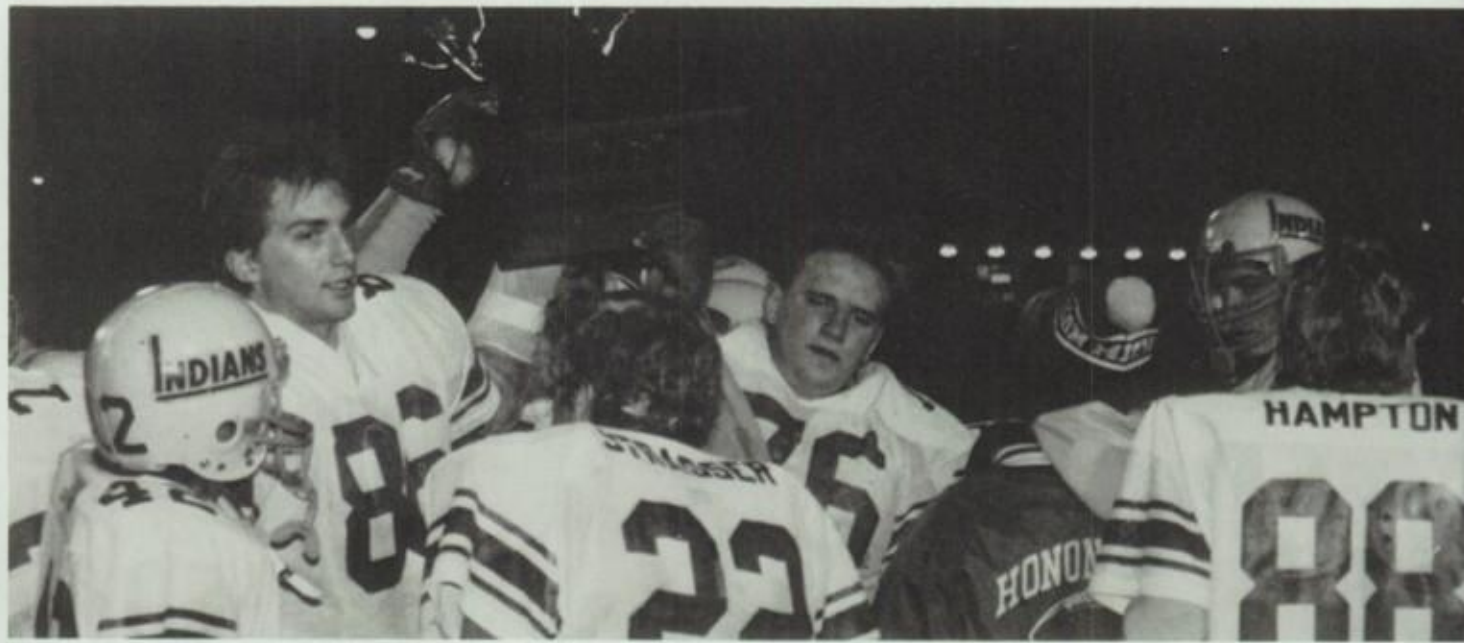

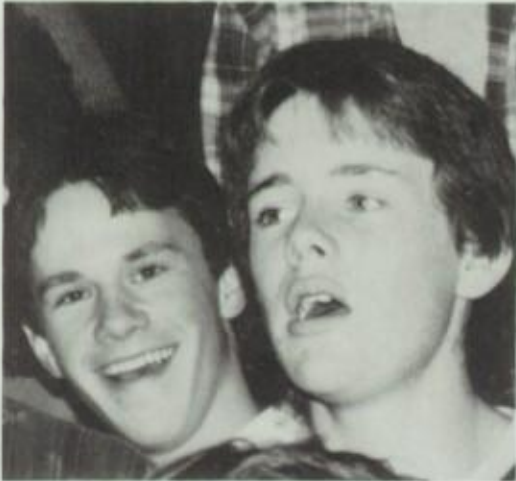

Two determined students had nothing better to do, and thus set the foundation for an ongoing Hononegah tradition.

# Student Council had another active year

After breaking in the new Student Council adviser, Mr. Norman Alpers, things began to take shape. The Student Council organized many activities such as several dances, student exchanges and the Christmas program. The council created a new committee, the publicity committee, in charge of all publicity for events sponsored by the students. The ambitious council revised its constitution. It also sent representatives to workshops on the improvement of the council.

## FISH had building year

1985-'86 was a rebuilding year for the Finest Individual Speakers at Hononegah (FISH.) Many active members graduated the previous season, leaving only a few underclassmen to compete. The team therefore had a long novice season beginning with their own Hononegah Invitational in November which grew from nine to 18 schools this year. During the month long novice season, 25 FISH team members earned 27 trophies and ribbons at three meets.

The varsity season began Dec. 21 at Kane land, but did not get into full swing until January tournaments at Sandwich and Rochelle where 12 trophies were garnered. The team won its first team trophy finishing third at Rochelle behind Rochelle and last year's #2 in state, Downer's Grove South.

Nine of 10 entries advanced to sectionals and the team ranked third of 15 teams in this IHSA region.

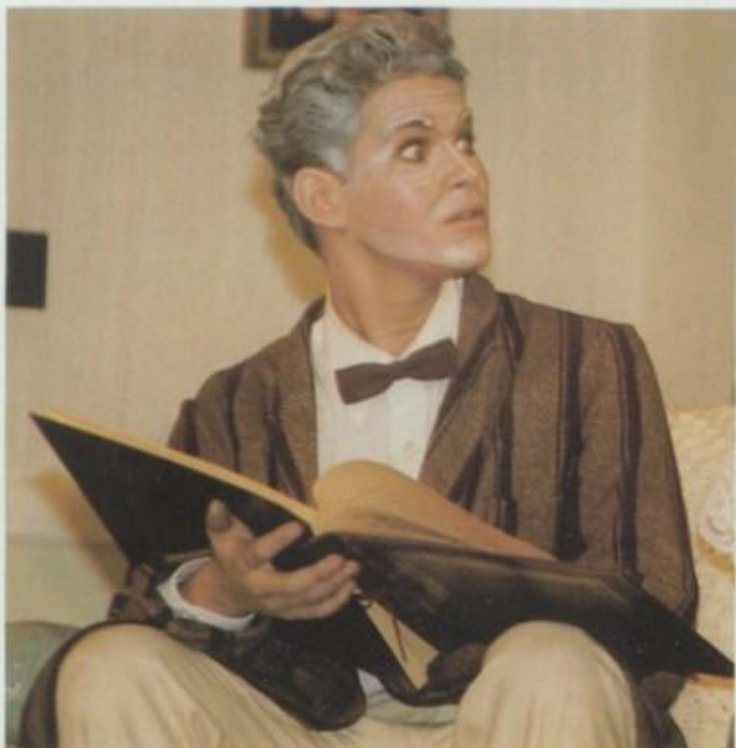

Chad Kent, Loral Patchen, Jim Mackey, Christina McKenzie, Julia Hager and Terra Turner qualified for the SCOTIE Tournament of Champions at ISU in Bloomington Feb. 21 and 22. This prestigious event occurred after press time.

## Fall play was fun

The fall play, *You Can't Take It With You*, written by Moss Hart and George Kaufman, directed by Mrs. Jan Hyland and Michelle Mueller was performed Nov. 14-16 before capacity crowds despite the intense interest in the football playoffs.

Alice Sycamore (Loral Patchen) was the stabilizing influence in a rather bizzare family consisting of an aged grandfather, Martin Vanderhof (Steve Skupien), the father, Paul Sycamore (Erick Crays), his hyperactive playwright wife, Penny Sycamore (Julia Hager), their charming dancing daughter, Essie Carmichael (Kirsten Morris), her xylophone-playing lithographer husband Ed (Pete Holaves.) Their housekeeper Rheba (Teri Prather) with her fly catching boyfriend Donald (Brad Scoville) and their resident discus thrower Mr. DePinna (Dan Skupien) baffled Mr. and Mrs. Anthony Kirby (Frank Laudicina and Anne Faust.)

Mr. Kirby wanted his son Tony (Chad Kent) to follow in his footsteps in the business world but Tony only wanted to marry Alice. Grandpa tried to show Mr. Kirby that life is too short to waste and that Tony was right in not wanting a high pressure business career.

Other characters, including, Russian dance instructor Mr. Boris Kolenkhov (Joe Granneman), the Grand Duchess Olga Katrina (Jacqi Fleissner), IRS agent Mr. Henderson (Rob Barker) and the three "G" men (Dale Bonk, Pete Doty, Mark Chiodini) created additional laughter but the drunken actress Gay Wellington (Monica Neal) kept the audience "in-toxicated" form.

*Laura,  
It took me a  
long time to admit to myself  
that I love you for you.  
But I made it. You made it a lot  
of fun, even though there were some rough  
times with Dave. You really go back to California.  
I'll miss you when I see you again. Have a great summer.  
Maybe I'll see you when I see you.  
There with my band. Love you!  
Good luck in the future!

We are confident you will look at your yearbook many times and recall the friends and happy times you had while at Hononegah High School. This page is provided to help you remember, in hopes, when you are seriously looking for a car someday you will remember us, and how we helped you to remember your happy times.

Funniest thing that happened this school year: when I was drunk at first

Most embarrassing thing this year was when I ended up with Dave tancer at a Party in the front seat with him and ~~Steve~~ Steve in Back seat (NICE HEAD!!) (I yelled at him "USE!!") HA HA

The thing I most want to remember about Homecoming: My friends and Boyfriend BRANT

The thing I most want to remember about Prom: The Hotel Room with Brant, Ron & Jill! cckpuzo!

Five years from now I want to be: a Marriage Counsellor w/ Brant L. Augensen Forever!

My favorite teacher this year was Mrs Thile because she taught me the most - I actually learned something

This year my best friend was Patti Malpas because they are so awesome. AND Kim Watson & I'm gonna miss them

The school days I liked best were: Those I didn't go to - or the ones I was in a good mood! (A lot)

A VERY SPECIAL AUTOGRAPH GOES HERE:

I love ya,  
Brant Lee Augensen "Augie Dog"  
Doct ever forget the two of us. I know!  
want. You will always be with me in some  
way. why dont we both just get a modeling  
job together in Porthouse? HA HA well, I tried!

*my best friend*

Laura,

HELLO! Its be a blast this year.  
Especially having you in a few of my  
Classes. you made this year go by  
so fast. Even though you are moving  
and I am staying here in this  
beving place, I hope we can be as  
good of friends as we were during this  
year. I am really glad that we became  
friends.

8176 Oliver Rd / Luv-n-Frenz.  
Winnetka, Ill 60088  
P.S. write me! Paula

Laura,

How ya doing. You really are  
a terrific friend. Hope you have  
fun back in California because we  
sure will miss you here. Good luck  
in everything you do. Maybe I'll  
see ya again (who knows) Love,  
John

Laura -

Well, the year is gonna be all done soon (I thank God) <sup>John</sup>  
and I doubt that I'll ever get to see you this Summer, so...  
Hononegah wouldn't be the same without my Bad  
Influence Buddy keeping me in line, Or else God only  
knows where I'd be now, eh? I'm really gonna miss  
you when you move out to California - Wish I could join  
you but you know how it goes - You can't always get  
what you want right? If we could I wouldn't be  
staying in Roscoe... But Someday when I'm in Study  
Hall or up in the spotlight with my band with 20 gold  
albums and you out on the beach having a good time  
with all the guys, sun, sand and best of all the alcoholic  
beverages I'll be thinking about you - And I hope you'll  
do the same - Or else! So, if you ever get bored or lonely  
or whatever <sup>drop</sup> me a line ok? 4034 Joan Drive  
Well, It's time for both us to ramble Roscoe, IL 61073  
on, so - Have fun babe!

Love,  
Jeff

"Your Bad Influence Buddy"

and don't forget it!

Dear Laura, otherwise known as my sis!  
 I hope I can write enough to fill this page. I'll try! It seems like even though we're related, we didn't get together as much this year as I had hoped. But Brant's been keeping you pretty busy I suppose. I wish that you and I were as close as you and Cari are. I'm really going to miss you next year! This year has gone so fast, I can't stand it. Well, in a way, I'm glad it's over. Summer-Summer-Summer! You'll have to write me every day! Well, that may be stretching it a bit but... Even though you already know it (being my sister and all!) I'll give you my address just so you can never say that you lost it.  
 12780 Vivian Ct. — Write as soon as you get there! Wish me luck with Rockton, IL. the guys next year. Lord knows I need it! But you weren't lacking in the guy department this year — you little devil you! But of course you've always been the guy getter in the family! Too bad I didn't inherit it. Not only are you my sis — but you're one of my best friends. Sorry I didn't take up the whole page but I write small so that should count for something. Love ya, Monica  
 Love ya like a sis  
 (I wonder why)

Dear Laura,

Well Laura — there's not too much to say other than I wish you were moving! I'll miss you "college" smile! Good luck in California and I hope you fulfill your goals — you a real sweet & pretty girl and hope you can find some "chip-n-dale" guy & totally have mega-loads & then win the lottery for about 15-500 million ~~dollars~~!

Laura —  
 You've got your head on straight!  
 California is awesome — enjoy it. You're almost as cool as Cari (HaHa) Really — you're both awesome & just too damn cool for me. (well, ...) Enough said — Be happy!  
 Cari's weird friend  
 (Yours, too — daa)  
 Bruce Who?  
 (2 days later — see p. 43)

I HAVE TO SAY  
 YOU WILL BE HEARING FROM ME: YOUR SO AWESOME  
 LAURA AND YOUR SO MUCH FUN  
 TO HAVE AROUND EVEN THOUGH I DON'T KNOW YOU WELL AS  
 I WISH I DID. YOU KNOW I'VE  
 NEVER SEEN YOU ANYWHERE  
 BESIDES SCHOOL. TAKE CARE OF  
 YOURSELF OK. LOVE  
 KEVIN MORRIS

We hope you've enjoyed our Life Saver.
